

WARRANTY POLICY

As set forth in its Terms and Conditions of Sale, HydrauliCircuit Technology warrants that the goods sold (except electrical) shall be free from defects in material or workmanship for a period of one (1) year from the date of shipment to buyer or two thousand (2,000) hours of use, whichever occurs first. Electrical components are covered for a period of sixty (60) days from the date of shipment from the seller. Failures due to abrasion, or normal wear and tear, are not covered by warranty.

Liability to HCT shall be limited to repair or replacement (by HCT, at its choice) of the items sold or refund of the purchase price paid by buyer. In no event shall HCT be liable for any incidental costs, including travel, freight, or labor. WARRANTY WILL BE VOID IF CLAIMS ARE NOT FILED WITHIN THIRTY (30) DAYS OF THE FAILURE DATE.

Return of any components requires prior written approval and a Return Goods Authorization Number. Return of goods may be allowed at Seller's discretion within 180 days of shipment, in re-sellable condition, with a minimum 40% restocking charge. HCT may reject a returned good upon receipt and inspection and return the good at Buyer's expense.
