

## EXCAVATOR HYDRAULIC KITS & FRONT WINDOW GUARDS

# GUARDIAN FRONT GUARD

for Mini Excavators

- **EASY TO INSTALL**

Instruction manuals provide clear step-by-step instructions, photos, & CAD drawings to help minimize installation time.

- **BOLT - ON DESIGN**

Our bolt-on brackets offer the heavy duty durability needed for your jobsite applications.

- **ACCOMMODATES WORK LIGHTS**

A removable section allows use with open canopy with work lights.

- **PURPOSE BUILT**

Includes an engineered single piece front guard and a two-piece side guard.

**REQUEST A QUOTE TODAY!**

*Available for mini size excavators only with an open cab. Side guard is optional.*
